PROFILE

Seeking freelance job opportunities in graphic design for digital and print. Driven self-starter, quick learner, technologically savvy, dynamic, communicative, and trustworthy with confidential information. Works well in meeting deadlines and adjusting tasks to meet deadlines. Excellent working individually with little or no supervision or with team members, and collaboratively with multiple managers.

EDUCATION

San Francisco State University | 2002-2007

Bachelor of Science – Business Administration: Marketing

Bachelor of Science – Industrial Technology: Graphic Communications

Bachelor of Arts – Industrial Arts: Visual Communications

Design & Industry Department Undergraduate Honoree - GPA 3.41

EXPERIENCE

Freelance Visual Designer & Photographer | 01.2005–Current

Presentation design, web banner design, photoshop editing, small-scale WordPress powered websites, publication layout and design, email design, identity, print collateral (brochures, postcards), product and event photography, wedding photography, videography. Clients include: San Francisco State University Design & Industry Department, Skyline Community College, Printing Industries of Northern California, Visual Media Alliance, Danielle Lazier Real Estate Agent, James W. Davis, Oh Dang! Magazine, Le Croissant, Warp9, Roam to Wonder, Yours Truly Photography, San Francisco State University [X]press Magazine.

Visual Media Alliance

Director of Communications | 02.2014-04.2015

Managed production team for projects including but not limited to annual conferences (VisualMedia Conference, imarketingSF) and other VMA-related or sponsored events, VMA Showcase Awards (photography, metal print awards, presentation, website, email marketing, awards booklet, print collateral), VMA Education & Training, VMA Insurance, and email and print promotional collateral. Contributed design and digital assets to publications such as Connected, Process, RiskReport, Digest/eDigest, and MediaWise. Redesigned VMGuide.org for web and mobile-ready. Maintained all VMA-related websites. Photographed all VMA-related events.

Printing Industries of Northern California & Visual Media Alliance

Graphic Designer & Photographer | 01.2006-02.2014

Designed and photographed most PINC and VMA events and publications. Designed and coded email marketing campaigns, email newsletters, scheduled e-blasts (A/B Testing), maintained email list, designed web banners, presentations, print-collateral, maintained all VMA-related websites including updating events, publication, and content, introduced and integrated new technology to staff (Dropbox, Google Drive, Basecamp), provided technical troubleshooting (switching host providers, file access, etc). Design production for all PINC/VMA web graphics, programs and events.

Zephyr Real Estate - Real Estate & Marketing Assistant | 05.2006–05.2008

Vanguard Properties - Real Estate & Marketing Assistant | 05.2005–05.2006

Worked closely with top-producer Danielle Lazier, hosted open houses and brokers tours, took photos of property used in marketing, designed property listing flyers, postcards, brochures, letters, property microsites, sent drip mail marketing campaigns, corresponded with clients, brokers, other real estate agents for the successful sale or purchase of real estate.

San Francisco State University - Rapid Copy Center

Administrative Support Assistant III | 01.2004–05.2004

Oversaw up to 4 student assistants, organized their work schedules, provided training and feedback. Fulfilled large-scale (course readers, booklets, bound books) and complex print (large format color prints, laminating, spray mount and trimming) and fulfillment orders (spiral, coil, comb, perfect, and/or tape binding, stapling, hand collation). Opened, closed, and operated store with little or no supervision during nights and weekends. Handled cash register transactions and safe deposits with little or no error.

Student Assistant | 07.2003–01.2004

Provided excellent customer service assisting students, staff, and faculty members offering advice for their orders, assist with copier and printing troubleshooting (clearing jams, adding ink/toner), and rapid completion of b/w or color copying, printing, binding, laminating, faxing, trimming, and other special requests.
